RULES (CRITERIA)	PLAN OF CORRECTION	Completion Date
RULES (CRITERIA) §11-100.1-21 Residents' and primary care givers' rights and responsibilities. (a)(2)(D) Residents' rights and responsibilities: Each resident shall: Physical restraints may only be used in an emergency when necessary to protect the resident from injury to self or to others. In such a situation the resident's physician or APRN shall be notified immediately to obtain an assessment for least restrictive alternatives to restraint use. If restraint use is determined to be necessary, written orders shall be obtained from the resident's physician or APRN indicating the form of restraint to be used, the length of time restraint shall be applied, the frequency of use and the alternative care that can be provided to the resident. If a less restrictive alternative to restraint exists, it must be used in lieu of the restraint. The resident's family, legal guardian, surrogate or representative, and case manager shall be notified if no alternative to restraint exists and a written consent shall be obtained for restraint use. The restraint use shall be in compliance with the Type I ARCH's written policy, as	PLAN OF CORRECTION PART 1 PART 1 DID YOU CORRECT THE DEFICIENCY?
